Re:

Referring to the Communication of 3 July, 2003, Paper No. 11, applicants hereby submit a corrected copy of the amendment, now dated 28 July, 2003, in compliance with the Examiner's request.

Further, Paper No. 11, the Examiner's Interview Summary indicates that the substance of the interview must be incorporated into the amendment (see Summary of Record and Interview Requirements Sheet attached to Interview Summary); however, the Examiner provided a "Substance of the Interview" and continuation sheet so it is not believed that attorney for applicants needs to comply with this provision.

It is believed that the amendment as now redated is in condition for entry and action to that end is courteously solicited. If any issues remain to be resolved, it is requested that the Examiner contact attorney or applicants at the telephone number listed below.

Respectfully submitted,
